PLANNED GIVING

Everyone deserves to have peace of mind.

HALO provides critical, life-saving services to those in emergency situations, often in remote and inaccessible areas.

Why Give?

Your generosity has the power to change lives, and through thoughtful planning, you can extend your impact far beyond your lifetime. We believe that every individual has the opportunity to create a legacy of hope, compassion, and urgent, life-saving care. This booklet is designed with you in mind—to help you explore the ways your values and philanthropic vision can ensure that HALO continues to provide critical emergency services to those in need, now and for generations to come.

Your legacy is our future, and together, we can make a lasting difference.

What is a Planned Gift?

Planned Giving is more than a donation; it's a testament to your values and a commitment to the well-being of future generations.

This type of gift can be established without impacting your current financial circumstances, allowing you to make a lasting difference in the lives of those we serve. It often involves financial or legal instruments such as Wills, life insurance policies, endowments, and trusts, providing a structured and thoughtful approach to philanthropy.

HALO Air Ambulance strongly encourages all individuals considering a planned gift to consult with their financial advisor, estate planner, or legal professional. We do not provide legal or financial advice, and decisions regarding your estate should be made in consultation with qualified professionals to ensure your wishes are fully respected.

A photograph of a man and a woman embracing in a field at sunset. The man is on the left, wearing a dark t-shirt, and the woman is on the right, wearing a dark tank top. They are both looking towards the horizon where the sun is setting, creating a warm, golden glow. The field is filled with tall grass and some yellow flowers. In the background, there are some structures that look like irrigation equipment.

“I am grateful for everything HALO was able to do for my family and I. They got to me so fast...and saved my life.”

You Have Options

There are many different types of Planned Gifts, and each offers unique advantages. The key feature of Planned Gifts like these is that they provide important benefits to you as well as HALO. Professional advisors like estate planners, lawyers, and accountants can provide guidance to ensure your gift works for you and your loved ones.

Types of Gifts	Your Gift	Your Goal	How You Make the Gift	Your Benefits

HALO Air Ambulance strongly encourages all individuals considering a planned gift to consult with their financial advisor, estate planner, or legal professional. We do not provide legal or financial advice, and decisions regarding your estate should be made in consultation with qualified professionals to ensure your wishes are fully respected.

Making a gift in your Will

When you leave a gift through your will, your estate receives a tax receipt for the full value of the gift. This tax receipt provides a credit on your final income tax return, which can help maximize the value of your residual estate for your beneficiaries.

To start preparing your Will, or to add a simple change to your existing Will, contact your financial advisor, estate planner, and/or lawyer.

Ensure your wishes are carried out by using the following wording in your will:

Specific Bequest:

"I give to HALO Air Ambulance Society, the sum of (\$amount)."

Residue of Estate:

"I give all (or ___% of) the residue of my estate to HALO Air Ambulance Society."

Gift Designated for a Particular Purpose:

"I give (please state a specific amount; or, a sum or percentage of the residue of the estate) to HALO Air Ambulance Society to be used for a purpose related to or benefiting (insert specific purpose)."

Talk with Your Loved Ones

Discuss your wishes and plans with your family to assure them of your support and share your family's community and philanthropic values. Please let us know of your decision to make a gift to HALO to help us plan the future use of those funds most effectively. We respect all requests for confidentiality and anonymity.

Shares and Other Securities

Your gift of securities must be donated “in Kind” and provides an innovative and creative way to make a charitable gift and can often help fund a larger gift than you might otherwise be able to make. Shares include stocks, bonds, bills and mutual funds. It also offers you a tax-efficient way to support our mission while avoiding capital gains tax and possibly deducting the full value.

Favorable tax rules regarding the donation of shares to a registered charity make this option particularly attractive for many donors.

Online Donation Process for Securities

- Visit the webpage by scanning the QR code provided:
- Fill out the online form with some basic information about the shares/funds and some personal details for tax receipting purposes (i.e. full name, address).
- Download the “Letter of Direction” (CanadaHelps automatically produces)
- Sign the letter of direction and provide it to your broker/financial institution.
- Your broker/financial institution transfers the requested number of shares from the donor’s investment account to CanadaHelps’ account.
